

MICROSOLVE

Micro-emulsion cleaner and degreaser

MICROSOLVE uses micro-emulsion technology, combining specialist surfactants and solvents to provide exceptional degreasing power allied with the economy and convenience of dilution with water.

ADVANTAGES

Micro-emulsion technology provides fast and effective degreasing and cleaning power.

Breaks down oils and grease rapidly from heavily soiled areas.

Removes rubber scuffs and tyre marks from workshop floors.

Exceptional multi-surface cleaner.

Economical in use compared to solvent based products due to being water dilutable.

Reduced solvent emissions when compared to high VOC degreasers.

Water rinse-able.

Low odour in use.

Non-Flammable.

TYPICAL APPLICATIONS

- Highly versatile suitable for manufacturing, warehousing and workshop use.
- Ideal for cleaning and degreasing of engines, heavy plant and equipment.
- Rapidly removes oils and greases from floors and walls in production, workshop and warehouse areas.
- Removes asphalt and tar spots from vehicles.

APPLICATION INSTRUCTIONS

For heavy oils and greases dilute 1 part Microsolve to 4 parts of water. For light duty use apply at 1 part Microsolve to 20 parts water.

May be applied by mop, brush, hand sprayer or pressure washer. Apply to the surface, agitate stubborn or heavy deposits and rinse with clean water.

Also suitable for Dip Tank applications, use below 40°C and at dilutions above depending on degree of soiling.

MICROSOLVE

Micro-emulsion cleaner and degreaser

TECHNICAL DATA

APPEARANCE	Straw coloured liquid
ODOUR	Mild solvent
pH VALUE (conc. solution)	>11.5
SOLUBILITY	Emulsifiable in water
VOC CONTENT	165 g/Lt
FLAMMABILITY	Non-flammable
PACK SIZES	20lt

PRECAUTIONS

Wear suitable protective equipment, including gloves, goggles/face shield, respirator, boots, clothing or apron, as appropriate. Avoid contact with skin, eyes and clothing.

STORAGE PRECAUTIONS

Store at temperatures between 4-40 °C in tightly closed original container in a dry and cool place.

HEALTH AND SAFETY

Refer to Safety Data Sheet (available on request).
