

TUFSTUF

Heavy-duty liquid hand cleaner

TUFSTUF is a highly efficient, heavy-duty, non-beaded hand cleaner recommended for a wide range of industrial applications. It is particularly mild on the skin and does not contain solvents.

ADVANTAGES

Tufstuf contains no paraffinic solvents.

Kind to the hands.

Contains skin conditioners and moisturisers to keep hands supple even when used frequently.

Suitable for use as a body wash.

Removes the heaviest, ingrained oil and grease from the skin.

Pleasantly fragranced.

TYPICAL APPLICATIONS

- Suitable for use in a wide range of industrial environments, like engineering, workshops, garages, factories, printing, maintenance, departments and horticultural industry.

APPLICATION INSTRUCTIONS

Use neat to remove heavy soiling.

Apply to palms of hands and rub thoroughly into skin, paying attention to areas between the fingers and around the nails.

Rinse off with clean water.

Suitable for use through Arrow EQ432 dispenser.
